# PARENT CAFES, CALIFORNIA

Parent Cafés are groups for parents to talk about parenting issues. In the supportive environment of the Parent Café, parents come together to deal with the pressures, worries, and challenges that many have struggled with alone. Through the Parent Café process, parents move beyond isolation to give and receive the support they need and make connections with other parents.

Six week sessions on the following

1. Parental Resilience: Be strong and flexible
2. Social Connections: Parents need friends
3. Knowledge of Parenting and Child Development: Being a great parent is part natural and part learned
4. Concrete Support in Times of Need: We all need help sometimes
5. Social and Emotional Competence of Children: Parents need to help their children communicate
6. Healthy Parent-Child Relationships: Give your children the love and respect they need
