Adoption & Family Services

You are invited to join us for a PROFESSIONALS ONLY Virtual Matching Event. More Than a Glance; Special Edition will offer the opportunity for Family Matching Workers to present families to all attendees. Over the first hour and 15 minutes of the event, we will have "smaller" moments of sharing information about all families and then breakout rooms will be available. Each Family Worker will be assigned a specific room and CSR/OCMI/Child Workers will be able to join them for continued networking and conversations.

Space for family presentations is limited so please sign up ASAP.

Registration for general attendance is open and all CSR/OCMI/Child Workers are welcome to join!
